**Roundtable "Refugees & Restoration" (2)**

How to use the potential of regenerative practices to improve the living conditions of forcibly displaced people?

### Nathalie Meier

**Movement on the Ground**

What we need to scale our projects

[www.movementontheground.com](http://www.movementontheground.com)

#### Why are regenerative practices a good idea for refugees?

- Promoting local self-sufficiency
- Protecting natural resources
- Reviving local economies
- Strengthening local communities
- Building resilience to climate change

#### What is needed to establish restoration projects with refugees?

- Access to land
- Access to resources
- Training in restoration techniques
- Support from local authorities

#### How can projects like ours multiply, speed up and scale?

- Building partnerships
- Scaling up operations
- Accessing funding

---

### Noah Ssem pijja

**YICE Uganda**

How regenerative practices can empower refugees

[www.yiceug.org](http://www.yiceug.org)

#### Why do regenerative practices have a big impact in our camp?

- Creating jobs
- Improving health
- Enhancing food security
- Building social cohesion

#### How did we achieve a lot with small grants?

- Focused on innovation
- Leveraging partnerships
- Creating a business model

#### How can projects like ours multiply, speed up and scale?

- Expanding reach
- Accessing larger funding
- Creating a scaleable model

---

### Elham Al Abbadi

**Bayoudha Village**

Working with locals and refugees in Jordan

[https://www.facebook.com/KarmAlardhah/](https://www.facebook.com/KarmAlardhah/)

#### Why are regenerative practices a good idea for refugees?

- Providing income generation
- Improving food security
- Building skills and knowledge
- Promoting environmental sustainability

#### What is needed to establish projects in Jordan?

- Land availability
- Access to water
- Support from local authorities
- Training in restoration techniques

#### What do we need to start?

-发动与当地社区合作
-开始工作
-开始参与

---

### John D. Liu

**Founder of Ecosystem Restoration Camps**

How knowledge, education and media can help

[www.commonland.com](http://www.commonland.com)

#### Why are regenerative practices a good idea for refugees?

- Improving livelihoods
- Enhancing food security
- Building resilience
- Promoting cultural heritage

#### What should we take into consideration?

- Local contexts
- Cultural differences
- Socio-economic factors

#### How can knowledge, education and media help?

- Creating awareness
- Fostering skill development
- Facilitating knowledge exchange

---

### Maya Hennerkes

**European Bank for Reconstruction and Development**

What funders & impact investors need to fund projects

#### What is the funding / economic potential for regenerative projects in refugee camps?

- Impact on income generation
- Impact on food security
- Impact on employment

#### What do impact investors / funders need to fund such projects?

- Access to land
- Access to resources
- Training in restoration techniques

#### How can projects and investors / funders communicate better with each other in the UN Decade Ecosystem Restoration?

- Creating a platform for networking
- Fostering knowledge exchange
- Facilitating best practice sharing
